

## ***Community-based projects: a way to feed practical research conclusions into policy solutions***

***Conference "Research for sustainable development"  
organized by***

***Westminster International University in Tashkent***

***Thursday 14th May 2009***

**SGP** The GEF  
Small Grants  
Programme

## ***Why research?***

***Sustainable development is***

***a pattern of resource use that aims to meet human needs while preserving the environment so that these needs can be met not only in the present, but also for future generations to come***

**SGP** The GEF  
Small Grants  
Programme

## Research for efficient technologies

Uzbekistan

**SGP**  
Small Grants  
Programme

## Research is made by people

Uzbekistan

1. **Number of different options**
2. **Human factors:**
  - At assessment
  - At implementation
3. **Other factors**

**SGP**  
The GEF  
Small Grants  
Programme

## Research on research

*Pilot or test research results in real situation*

**SGP** The GEF  
Small Grants  
Programme

## How do we do it?

1. *Let people choose*
2. *Let people implement*
3. *Evaluate the results*

**SGP** The GEF  
Small Grants  
Programme

## Examples?

SGP

Programme

## Advantages

1. *Validate/verify*
2. *Free choice, not imposing*
3. *Most prominent from various points of view*
4. *Sign for a market to pick up*

Programme

## Conclusions

UN  
DP  
Uzbekistan

- *Research on a research*
- *Overcome possible omissions on the research stage*
- *See applicability*
- *Insights for making a weighted policy choice*
