ZONE 

UNIVERSITY OF
WESTMINSTER 

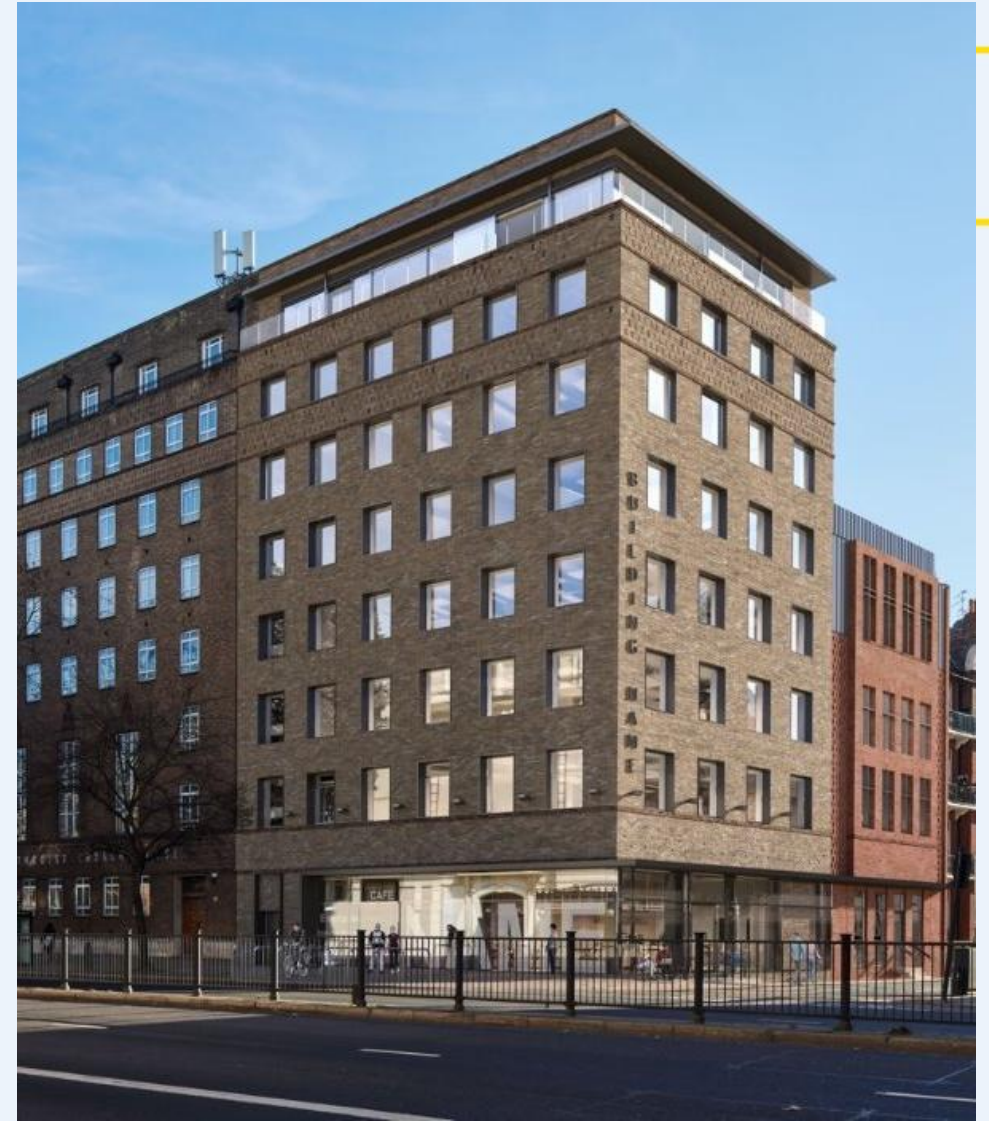

The home of student enterprise
and career success

What is Zone29?

Zone29 is our new home of careers and enterprise at Westminster. It's our overarching brand for the support we provide in this area.

Our **Zone29 building** is set to open its doors in Spring 2026.

- A space for students from all courses and all campuses
- For students and graduates, it will be a place to build career skills, develop business ideas, meet employers and make connections.
- For businesses and organisations, it will be a destination to deliver events and activities, and to meet our enterprising, talented and diverse student community.

ZONE 29

Zone29 will include

- Dedicated spaces for our careers and enterprise activities – within and outside of the curriculum
- Specialist spaces: Digital skills lab, Maker space, Podcast and Digital studio
- Entrepreneur hub for students and alumni
- Training and workshop spaces
- Dedicated spaces for events and exhibitions
- Meeting spaces for students to meet with external partners /organisations

Open to students, colleagues, alumni, businesses and community partners
